

Transportation & Storm Water

Construction BMP Standards Storm Water Standards Manual Public Outreach Meeting

Thursday, Sep. 27, 2018 • 9:30 to 11:30 a.m.
City Concourse, Silver Room • 202 C Street, San Diego

The City of San Diego (City) will be conducting a public outreach meeting to present the Construction Best Management Practice (BMP) Guidance section (Part 2) of the City's Storm Water Standards Manual. The presentation will cover topics such as pollution control plan requirements; project planning; good site management "housekeeping" practices; erosion control BMP implementation and sediment control BMP implementation.

Please visit sandiego.gov/SWSMevent to **RSVP by Thursday, Sep. 20, 2018**, if you plan to attend. We hope to see you there!
